San Dieguito Water District

Utility Billing CSS Is Getting an Update!

On Friday, March 23rd, the San Dieguito Water District will be upgrading sign-in for Utility Billing CSS, online bill pay. Along with greater security, this update will allow users to sign-in to view or pay their utility bills using a single account, integrated with the MyEncinitas app.

Users of Utility Billing CSS may be required to change their password upon their first login, using the 'Forgot Password?' link at the bottom of the screen. Please use this option, or call us at 760-633-2650 to pay your bill by phone, or contact a customer service representative for technical assistance.

On Wednesday, March 29th, we will also be upgrading our Credit Card processor to enhance security of your critical payment information. If you are using autopay, please take a moment re-enter your stored credit card information to ensure that bills are paid as scheduled.

To learn more about the MyEncinitas App, and access additional services offered by the San Dieguito Water District and City of Encinitas, please visit us on the web at: **https://www.encinitasca.gov/community/myencinitas-app**.

Thank you!
